DECEMBER 2007

- In the first week of December, 2007 ANEC's Executive Director Tenpa C. Samkhar and Office Secretary, Tenzin Kyipa visited Shimla for a special courtesy call on His Excellency Shri Vishnu Sudashiv Kokje, Governor of Himachal State. The meeting with the Governor took place on 4th December, 2007 followed by separate meetings with the ADC to the Governor and the Press Secretary to the Governor. This meeting with the Himachal State Governor had proved extremely beneficial for ANEC in many ways. The invaluable written message that we were able to obtain from the Governor have always been a tremendous asset for ANEC while approaching different institutions and organizations for any kind of assistance and guidance for ANEC. The privilege of taking photographs with the Governor, the ADC, and the Press Secretary has been of equal benefit and help.
